A/B testing
Project Management

Experience

- Jul 2019 - Jun 2022
Bally's Twin River Casino | Lincoln, RI
Surveillance Officer
 - Reviewed security footage using Genetec and iTrak systems to report Daily Logs and notate incidents throughout the property.
 - Conducted routine audits on employees spanning 114 live table games to ensure compliance with regulations and protocols.
 - Analyzed visual information for over 4,200 slot machines and virtual table gaming machines with attention to detail to identify patterns and anomalies.
- Sep 2018 - Sep 2019
Palladion Services LLC | Boston, MA
Security Officer
 - Collaborated with cross-functional teams to provide insights based on surveillance data on three different properties.
 - Prepared written reports of daily activities, observations, and incidents to ensure accurate documentation.
 - Monitored CCTV security footage for suspicious activity, trespassers, and potential threats.
- Sep 2012 - Sep 2016
US Navy | NAS Lemoore, CA
Aviation Structural Mechanic, Safety Equipment
 - Leveraged complex problem-solving skills to review relevant information and develop solutions on 12 F/A-18E/F Super Hornet naval aircraft.
 - Identified the cause of operating errors and provided efficient troubleshooting while using pertinent data and individual judgment to ensure compliance with naval laws, regulations, and standards.
 - Executed over 1,894 maintenance actions specializing in Environmental Control Systems, Life Support Systems, Egress / Ejection Seat maintenance, and basic corrosion control.
